THE VINEGAR STINGS.
SO HIS LIPS ARE ROUGH TOO!

# AFTERWORD

Thank you very much for reading volume 2 of There Goes Nyanko-Sensei!

I'm incredibly touched that I've been allowed to continue this series for two whole volumes. I'll do my best from here on out as well, so that I'll be able to draw the characters from Natsume Yuujinchou in an even cuter, more fun and charming way.

I'm incredibly grateful to the original author, Midorikawa Yuki, everyone from the editorial department, and all Natsume Yuujinchou fans who have warmly embraced this parody manga.

Thank you very much!!
